**LIMITING LIABILITY IN THE WORKPLACE (Allegheny C)**

**Presented By Jill Nagy, Summers Nagy Law Offices**

Always informative and educational, Attorney Nagy will provide tips on effective strategies and topics to limit risk at your transportation system—Topics will include updates on the healthcare reform act and its impact on employers, HIPAA and employer information and how your DOT medical program is impacted by the new guidance. We will also look at new cases in the Commonwealth and how they impact transit systems.

**PennDOT TRAININGS (Allegheny A&B)**

Various training will be provided and a chance to see some new software and tools. These range from ACT 44 Data Collection, GFI Farebox Data Collection & a Shared-Ride Fare Structure Calculation Tool. While there, hear an update on the Hours of Service from the PennDOT legal counsel.
