

CENTRE AREA TRANSPORTATION AUTHORITY REQUEST FOR PROPOSALS

The Centre Area Transportation Authority (CATA) in State College, PA is seeking proposals to provide up to six (6) 40' CNG powered transit vehicles, with options to purchase an additional thirty-seven (37) vehicles and spare components beyond the initial acquisition. Proposals will be accepted until 2:00pm (EST) on Wednesday, August 21, 2019.

Proposal documents are available on our website at www.catabus.com more specifically at <https://catabus.com/about-cata/doing-business-with-cata/procurement/>. Interested firms MUST register providing company contact information via email to Mrs. Jaime Richard, Procurement Specialist, at jrichard@catabus.com in order to submit a proposal or to receive addenda or other correspondence. Having registered with CATA for any prior solicitation does not qualify; separate registration is required each time.

Minority and women-owned businesses are encouraged to respond.

CATA reserves the right to reject any and all proposals as it deems in its own best interests.
