

**NOTICE OF PROCUREMENT
CONTRACTED COMMUNITY TRANSIT SERVICE DELIVERY**

The County of Chester, Pennsylvania seeks proposals from qualified organizations (public, private, or non-profit) to provide contracted shared-ride transportation services for the community transit program within the Chester County service area. The RFP can be found on the Chester County procurement webpage here: <https://procurement.chesco.org/Procurement/>

As of April 1, 2023, Chester County will assume most of the operational and management responsibilities of the community transit program. Chester County seeks services of transportation providers to assist in the delivery of shared-ride trips for PennDOT's Senior Shared-Ride and Persons with Disabilities (PwD) Programs as well as the Medical Assistance Transportation Program (MATP).

The purpose of this RFP is to secure a Provider or potentially multiple Providers to deliver shared-ride transportations services for the County in accordance with all applicable state, federal, and county laws, regulations, and standards. The Community Transit Services contract will be for a minimum one-year period, with an option, at the discretion of Chester County, to extend for up to two (2) additional years.

Interested parties may submit questions and proposals to:
